2006 Governor's Office of Highway Safety Conference for Law Enforcement and Prosecutors

I am pleased to announce the dates for the 2006 Governor's Office of Highway Safety Conference for Law Enforcement and Prosecutors. This conference is scheduled Monday, August 14th, 2006 through Wednesday, August 16th, 2006 at the Westin La Paloma located at 3800 East Sunrise Drive in Tucson, Arizona.

GOHS will fund lodging (to qualify for lodging both your residence and duty post must each be 35 or more miles from the Westin La Paloma) and all conference materials. There is a \$150.00 registration fee. Please complete your conference registration form on-line by July 21st 2006 and send your check, money order or purchase order no later than August 4th, 2006.

This conference is dedicated to highway safety, specifically impaired driving, occupant protection, and vehicular homicide. There will be general sessions and diverse technical sessions.

Law enforcement and prosecutors who work with the enforcement, legal, or scientific aspects of highway safety must understand each others rules, capabilities, and limitations. Also, with technology, investigative procedures, and laws changing rapidly, it is imperative that current information is provided to these groups. In addition, with the budget constraints that all levels of government are working under, it is vital to encourage community involvement and support.

If you have any questions regarding this conference, please contact Officer Dan Mulleneaux or Patricia Arteaga at 602/255-3216.

Sincerely,

Richard G. Fimbres, Director
Governor's Highway Safety Representative
